response to notice of drawing inconsistency with specification

On Feb. 4, 2005 applicant received a notice of drawing inconsistency with specification, a copy of which is attached. In that paper, it was stated that Figures 2a and 2b were listed in the Brief Description of the Drawings in the specification, but not contained in the drawings. It was indicated that 30 days were provided or one month, whichever is longer to file the corrected drawing. In response to this notice, applicant herewith files drawings 2a and 2b three copies of which are included herewith. These drawings are formal drawings. These drawings are to be amended and included with the drawings on file to complete the accepted drawings in this case. These drawings are equivalent to the original informal drawings of fig 2a and 2b, the formal versions of which were omitted without intention. These drawings now submitted as formal drawings add no new matter as attested to in signing this submission below, this is an affidavit that no new matter has been added and these

drawings are provided solely to complete the formal drawings in response to the notice of drawings missing and for no other purpose. Applicant respectfully requests that the examiner accept these drawings, approve them as provided, and include them in the drawings section of the application as currently on file and being held in the publishing division. Applicant requests that this submission corrects the deficinecey in this case, and that the drawings be approved, and further that the case be permitted to publish as allowed with these drawings included. If for any reason, this submission is not in compliance with the notice of inconsistency, Applicant respectfull requests that the office notifiy applicant and a proper and complete submission shall be refiled.

Sincerely,

David C. Schwartz

NOTICE OF DRAWING INCONSISTENCY WITH SPECIFICATION

WJ

The drawings filed 12-2-04 have been received. However, an inconsistency exists between the drawings and the Brief Description of the Drawings in the specification.

Figures 2a, 2b are listed in the Brief Description of the Drawings in the specification but not contained in the Drawings.

Figures are contained in the Drawings but not listed in the Brief Description of the Drawings in the specification.

Applicant is required to correct the above-noted inconsistency within a time period of **ONE MONTH or THIRTY (30) DAYS, whichever is longer**, from the mailing date of this Notice, or within the time remaining in the time period set forth in the Notice of Allowability (Form PTOL-37) to file corrected drawings, whichever is longer. **NO EXTENSION OF THIS TIME PERIOD MAY BE GRANTED UNDER EITHER 37 CFR 1.136 (a) OR (b)**

Failure to correct the above noted inconsistency will result in **abandonment** of the application.

The file will be held in the Publishing Division to await the correction of the inconsistency.
